1 – 100 and John Doe Companies 1-100)	

COMES NOW, Plaintiff Fraserside IP LLC, by and through its counsel, Chad Belville, and moves the Court to EXTEND the time to serve and file Scheduling Order and Discovery Plan. In support of this Motion, Plaintiff provides the following facts:

1. Defendants business addresses are in the nation of Hungary.

2. Plaintiff has delivered copies of the Complaint, Summons, Civil Cover Sheet and Civil Service Packet to an international process server. All documents have been translated into Hungarian for service through the Central Authority.
3. Translation and service through Central Authority can take days or months, with little ability to predict the length of time needed for service.
4. Plaintiff has taken the necessary and proper steps to serve the Complaint upon the Defendants
5. Service of Complaint and Summons has not yet occurred.

As translation and foreign service requirements entail atypical delays, Plaintiff requests additional time to complete Service of Process upon Defendant's at their addresses in Hungary. No previous requests for additional time have been made in this matter.

Therefore, Plaintiff MOVES the Court to grant an additional ninety (90) days to complete Service of Complaint and Summons upon Defendants followed by filing of Scheduling Plan.

Respectfully submitted this 30th day of November, 2011
